Security Deposit.

We are a family run business and take great pride in what we do as you can see from our well maintained holiday park and superb lodges.

We ask that each lodge pays a security deposit upon arrival - please see your booking confirmation email.

This covers us for all damages, breakages or misplaced items.

We ask that you depart from your lodge by 9am and leave it in a clean and tidy manner. Any guests that fail to meet this expectation could be subject to a minimum £50 cleaning charge. This includes any dirty dishes and stained towels.

Please respect the lodge, hot tub and the park. We know you are here to enjoy yourself, to let your hair down and relax. But please care for it as if it was your own.

Hot tubs are expensive to repair as well as run. Guests who contaminate the water or damage any parts will again be subject to a charge. Sometimes this can be more than your security deposit so please be warned that you may be liable to pay any additional fees if the hot tub is found damaged upon your departure.

Please DO NOT take any glass near or in the hot tub. This includes bottles of beer, wine, cider etc...

We ask that you use plastic tumblers whilst enjoying the hot tub. If an accident does occur and a glass is broken or dropped inside the hot tub then a cleaning charge of £100 will be taken from your security deposit.

All damages will be inspected upon reporting the incident to reception or upon departure. If the broken or misplaced item is not listed above then we will work out a repair price based on materials and labour. This will then be taken from your security deposit.

We will always try to contact the lead booking phone number in the event of a breakage.

All of our accommodation is no smoking. This includes cigarettes, e-cigarettes and cigars. Smoking is allowed on your decking area where an ashtray is provided. We reserve the right to charge you a minimum £100 cleaning charge if there is any evidence of smoking inside the lodge.

Please note that the smoke alarms will detect smoke and vapour.

We warmly welcome pets to the park however we do ask for you to keep them under control and supervised at all times whilst exploring the park. Leads are to be used while roaming the park.

At Mouswald we do kindly ask that if you leave your pets inside the lodge unsupervised that they are kept inside a pet crate until you arrive back at the park. We try our hardest to keep our lodges to a very high standard and cannot risk any further damages from unsupervised furry friends.

If we find any evidence of chewing, gnawing, stained carpets or fabrics you could be liable to pay for any repairs or cleaning.

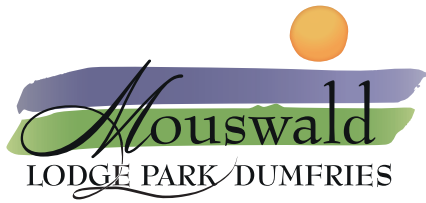

DEPARTURE

Once you have departed from your accommodation one of our park wardens will carry out a full check of your lodge and hot tub. Hopefully everything is how you found it upon arrival.

If anything is broken, damaged or misplaced then we will contact the number on the booking.

Your deposit will automatically be released back into your bank account and can take up to seven working days to be available again.

Please remember, we have not withdrawn it from your bank account. It is only a pending transaction. Therefore it will not appear on your bank statements.

Free Wifi.

Enjoy unlimited free wifi across our park during your stay. Please note that some areas of our park may have limited access.

- Connect your device to the WiFi network below
